

Town of University Park

Sustainability Committee

Tuesday, 6 Jun 2023

7:00 PM 6:30 PM – 9:00 PM

The meeting is a walking tour of proposed stormwater management (SWM) upgrades to the Town. We will visit the proposed sites to help prioritize which of the proposed actions should be prioritized for funding. The public is welcome to attend this tour in person. Additionally, we will have a phone hooked into the zoom information so those that are interested can hear and see, to the extent possible, the SWM sites and hear the committee's discussion of these. For those interested in attending in person, we will meet 4401 Sheridan St, the corner of Sheridan and 44th.
