GAT traps are made by *Biogents AG* and sold by them through their US web shop.
You can purchase two traps for $81.74 (shipping included).

A. <u>**Where to Find Free Information about the Traps**</u>

1. Go to the *BioGents USA* web shop: **https://us-shop.biogents.com**
2. Click on "**Start Shopping**"

3. Then click on "**BG-GAT Double Set**",
   $69.99

BG-GAT Set
Trap against egg-laying tiger mosquitoes

4. Note the information tabs on the BG GAT page:

DESCRIPTION || CONTENTS || PLACEMENT || DOWNLOADS AND INFORMATION

--- "**Description**" -- A brief description of the traps
--- "**Contents**" -- What will be inside the box you get if you place an order
--- "**Placement**" -- How to decide where to put the traps in your yard
--- "**Downloads and information**" –Contains:
      ------A five-minute YouTube video on how to set up the traps
      ------A pdf copy of the instruction booklet that will come with the traps (for those who prefer print to YouTube)
      ------Additional information on mosquitoes and mosquito traps

B. **How to Place an Order**

Follow instructions above, then set the quantity. Traps are sold in pairs. (Qty = 1 gets you two traps plus one pack of 10 sticky cards)

1	+
	−

5. Click "**Add to Cart**"

6. Then click "**Check out**" (in small faint print just below the Add to Cart button)

   for the BG-GAT trap has been successfully added to your cart. Feel free to continue shopping or check out.
